

Disaster Plan Complete Evacuation Transportation to Receiving Centers

Section	Page
5	4

POLICY

The home shall have a plan in place for acquiring transportation for all residents to the designated Receiving Centers in the event of a total evacuation.

Procedure

- The resident population of the home shall be segregated into 3 categories for the purpose of a total evacuation due to a disaster whether internal or external causes. They are as follows;
 - Yellow sticky note - may be discharged to individual residence of family or Power of Attorney/Substitute Decision Maker.
 - Green sticky note - may be discharged to designated temporary receiving center.
 - Pink sticky note - may be discharged to hospital.
- Depending on the resident's allocation as indicated above the following modes of transportation shall be determined by the DON or Registered Nurse who would be the best person(s) to know the particular needs of the individual resident.
 - Family member transportation where available;
 - Ambulance 911
 - Mobility Van 519-822-1811
 - Patient transfer Services 519-663-2222
 - Taxi 519-821-1700
 - Elliot Coach Lines 519-822-5225
 - Canadian Cab 519-821-3110
