POLICY

The home shall have in place a comprehensive and continually updated fire plan which must include detailed procedures for all roles involved in a fire or emergency evacuation or response.

Procedure

- Due to the extensive content of the home's fire plan it has been separated from this health and safety manual.
- The fire plan is reviewed and or revised at least annually and sent to the municipal Fire Prevention Office for approval.
- No changes to the fire plan shall be instituted unless it has been approved by the Fire Prevention Office.
- There are 3 up to date copies of the fire plan located;
 - First floor nursing station
 - Second floor nursing station
 - Front entrance foyer in a white fire proof locked box. Key to box is in [REDACTED]
